

Community Advisory Committee Update Report

Update from the California Collaborative for Educational Excellence to the
Sausalito Marin City School District
Board of Trustees

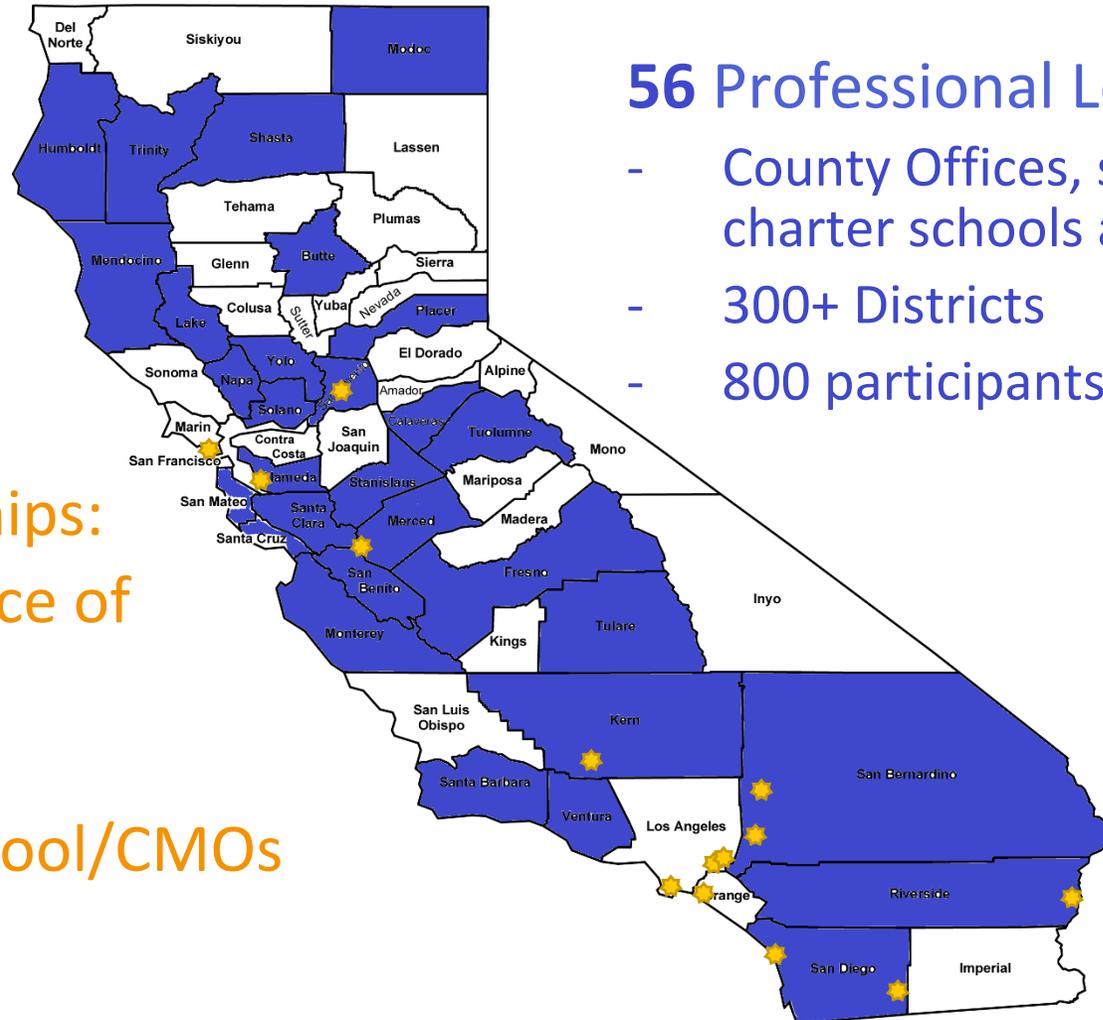

March 13, 2018

CCEE Theory of Action

Engagement with CCEE will focus on building capacity of participants **around the information, resources, and processes associated with LCFF** and lead to **evidence-based, more engaged, equity-focused decision-making** that ultimately *increases student outcomes*

CCEE Statewide Partnerships

56 Professional Learning Networks

- County Offices, statewide agencies, charter schools and CMOs
- 300+ Districts
- 800 participants

15 LEA Partnerships:

- 1 County Office of Education
- 12 Districts
- 2 Charter School/CMOs

Partnership Phases

SMCSD-CCEE Partnership

Sep 2016: SMC Board passes resolution to approve partnership between SMCSD and CCEE

Winter 2016: Stakeholder Feedback Forums and site visits

March 2017: First convening of the Community Advisory Committee (CAC)

Summer 2017: Onboarding of Community School Coordinator and new Principal

Fall 2017: Aligning mission, vision, goals

Ongoing role of the California Collaborative for Educational Excellence (CCEE):

- Collaboration with Sausalito Marin City School District (SMCSD) and Marin County Office of Education (MCOE) leadership
- Collaboration with Community Based Organizations
- Support and mentorship of Bayside MLK Jr. Academy staff
