

AGREEMENT FOR PROFESSIONAL SERVICES

This Agreement is made and entered into on March 13, 2019, by and between the Sausalito Marin City School District, hereinafter referred to as District, and Dannis Woliver Kelley, a professional corporation, hereinafter referred to as Attorney.

In consideration of the promises and the mutual agreements hereinafter contained, District and Attorney agree as follows:

SCOPE OF SERVICES. District appoints Attorney to represent, advise, and counsel it from March 13, 2019, through and including June 30, 2020, and continuing thereafter as approved. Any services performed during the period between the above commencement date and the date of Board action approving this Agreement are hereby ratified by said Board approval. Attorney agrees to prepare periodic reviews of relevant court decisions, legislation, and other legal issues. Attorney agrees to keep current and in force at all times a policy covering incidents of legal malpractice.

CLIENT DUTIES. District shall be truthful with Attorney, cooperate with Attorney, keep Attorney informed of developments, perform the obligations it has agreed to perform under this Agreement and pay Attorney bills in a timely manner.

FEES AND BILLING PRACTICES. Except as hereinafter provided, District agrees to pay Attorney two hundred twenty-five dollars (\$225) to three hundred thirty-five dollars (\$335) per hour for shareholders, special counsel and of counsel; one hundred eighty-five dollars (\$185) to two hundred thirty-five dollars (\$235) per hour for associates; and one hundred thirty dollars (\$130) to one hundred fifty dollars (\$150) per hour for paralegals and law clerks. The rate for Gregory J. Dannis will be three hundred sixty-five dollars (\$365) per hour. Rates for individual attorneys may vary within the above ranges depending on the level of experience and qualifications and the nature of the legal services provided. Substantive communications advice (telephone, voice-mail, e-mail) is billed in a minimum increment of one-tenth (.1) of an hour, except for the first such advice in any business day, which is charged in a minimum of three-tenths (.3) of an hour. In the course of travel it may be necessary for Attorney to work for and bill other clients while in transit. If, during the course of representation of District, an insurance or other entity assumes responsibility for payment of all or partial fees of Attorney on a particular case or matter, District shall remain responsible for the difference between fees paid by the other entity and Attorney's hourly rates as specified in this Agreement unless otherwise agreed by the parties.

Agreements for legal fees at other than the hourly rate set forth above may be made by mutual agreement for special projects or particular scopes of work.

OTHER CHARGES. District further agrees to reimburse Attorney for actual and necessary expenses and costs with respect to providing the above services, including support services such as copying costs, express postage, and facsimile transmittals. District agrees that such actual and necessary expenses may vary according to special circumstances necessitated by request of District or emergency conditions which occasionally arise.

District further agrees to pay third parties, directly or indirectly through Attorney, for major costs and expenses including, but not limited to, costs of serving pleadings, filing fees and other charges assessed by courts and other public agencies, arbitrators' fees, court reporters' fees, jury fees, witness fees, investigation expenses, consultants' fees, and expert witness fees. Upon mutual consent of District and Attorney, District may either advance or reimburse Attorney for such costs and expenses.

Occasionally Attorney may provide District officials and/or employees with food or meals at Attorney-sponsored trainings or when working with District officials and/or employees. Attorney may provide such food or meals without additional charge in exchange for the consideration provided by the District under this Agreement.

BILLING STATEMENT. Attorney shall send District a statement for fees and costs incurred every calendar month. Attorney's statements shall clearly state the basis thereof, including the amount, rate and basis for calculations or other methods of determination of Attorney's fees. District shall pay Attorney's statements within thirty (30) days after each statement's date. Upon District office's request for additional statement information, Attorney shall provide a bill to District no later than ten (10) days following the request. District is entitled to make subsequent requests for bills at intervals of no less than thirty (30) days following the initial request.

INDEPENDENT CONTRACTOR. It is expressly understood and agreed to by both parties that Attorney, while carrying out and complying with any of the terms and conditions of this Agreement, is an independent contractor and is not an employee of the District.

CONFLICT OF INTEREST. Because Attorney represents many school and community college districts, county offices of education, joint powers authorities, SELPAs and other educational entities, conflicts of interest may arise in the course of Attorney's representation. If Attorney becomes aware of any potential or actual conflicts of interest, Attorney will inform the District of the conflict and comply with the legal and ethical requirements to fulfill its duties of loyalty and confidentiality to District. If District has any question about whether Attorney has a conflict of interest in its representation of District in any matter, it may contact Attorney or other legal counsel for clarification.

TERMINATION OF CONTRACT. District or Attorney may terminate this Agreement by giving thirty (30) days written notice of termination to the other party.

IN WITNESS WHEREOF, the parties hereto have signed this Agreement for Professional Services.

Re: Potential Conflict of Interest and Informed Consent Waiver

Dear Ms. Mares:

As you know, the Sausalito Marin City School District (District) is a client of Lozano Smith. The District used our services in the past with respect to a variety of legal matters, including for counsel regarding charter schools matters from 2011 through 2013. In that time, I provided counsel to the District regarding its relationship with Willow Creek Academy and a proposed supplemental funding agreement between the District and the charter school.

Our firm also serves as legal counsel to the Marin County Office of Education (COE) and the Marin County Superintendent of Schools (County Superintendent). This letter discloses to the District that the Marin County Superintendent of Schools has asked this firm to represent her in the litigation initiated in Marin County Superior Court by the Willow Creek Academy (Willow Creek Litigation). As you are aware, the District is a co-defendant in that litigation.

Under the California State Bar's Rules of Professional Conduct regarding conflicts of interest, where two clients are directly adverse to each other, my firm will need to obtain informed written consent before we continue to represent the COE and County Superintendent in the Willow Creek Litigation. (Rule 1.7.) While the District and County Superintendent are not directly adverse to each other at this time, there is at least a potential that the two parties become directly adverse to each other during the course of litigation. Therefore, Lozano Smith is taking a conservative approach and seeks informed consent to continue to represent the Marin County Superintendent in the Willow Creek Litigation.

In disclosing the potential for conflicting interests between the District and the County Superintendent, we seek your written consent to our continued representation of:

- 1) The County Superintendent in the aforementioned litigation; and,
- 2) The District in other, unrelated matters.

By signing the informed consent waiver, below, the District's informed consent is provided if an actual conflict arose between the District and the COE / County Superintendent.

As attorneys, we are governed by specific rules relating to our representation of clients when actual or potential conflicts of interest exist. An attorney has an undivided duty of loyalty to each client, and without a client's informed consent, the attorney may violate that duty by assuming a position adverse or antagonistic to the client. This is governed by 1.7 of the Rules of Professional Conduct in regard to the representation of current clients. A copy of Rule 1.7 is enclosed for your information.

If our continued representation of the District in unrelated matters, and the County Superintendent in the Willow Creek litigation, is acceptable, we request your informed consent by signing and returning this letter to us. (Please keep a signed copy of the letter for your records.) We encourage you to seek independent counsel regarding this consent, if you so desire, and we emphasize that you remain completely free to seek independent counsel at any time, even if you decide to sign the consent set forth below.

Should you have any questions concerning this letter or the consent, please do not hesitate to contact us.

Sincerely,

LOZANO SMITH

The undersigned hereby acknowledges having carefully reviewed the above letter from Lozano Smith, dated March 19, 2019, and further acknowledges that the Sausalito Marin City School District has been given the opportunity to obtain the advice of independent counsel in this matter. Consequently, with full knowledge of Rule 1.7 of the Rules of Professional Conduct of the State Bar of California, the undersigned, on behalf of the Sausalito Marin City School District hereby agrees to Lozano Smith's representation of the Sausalito Marin City School District in matters unrelated to the Willow Creek Litigation described above, and the County Superintendent and COE in the Willow Creek Litigation, notwithstanding the above-described potential conflict of interest.

(b) A lawyer shall not, without informed written consent from each affected client and compliance with paragraph (d), represent a client if there is a significant risk the lawyer's representation of the client will be materially limited by the lawyer's responsibilities to or relationships with another client, a former client or a third person, or by the lawyer's own interests.

(c) Even when a significant risk requiring a lawyer to comply with paragraph (b) is not present, a lawyer shall not represent a client without written disclosure of the relationship to the client and compliance with paragraph (d) where:

(2) the lawyer knows or reasonably should know that another party's lawyer is a spouse, parent, child, or sibling of the lawyer, lives with the lawyer, is a client of the lawyer or another lawyer in the lawyer's firm, or has an intimate personal relationship with the lawyer.
