COMMUNITY RESPONSE ANNOUNCEMENT FOR SOUTHERN MARIN RESIDENTS

The COVID19 pandemic has drastically affected and impacted our children, residents, families, businesses, public agencies and non-profit organizations in our tightly knit communities. As the pandemic and its effects continue to evolve, the need for help continues to grow.

Performing Stars, in collaboration with Family Independence Initiative, and with funding from the Marin Community Foundation has been allocated funds to provide cash assistance for a limited time to support Southern Marin residents who have lost their jobs or experiencing reduced wages as a result of the COVID-19 Pandemic. We are able to assist individuals with basic essential emergency needs, in the amount of **\$500** towards your rent, utility bills, phone bills, car notes or insurance and personal requests.

This announcement is two-fold:

If you have received support from our organization during the months of **March 2020 to July 2020** and you are still impacted, you will need to provide your most recent supporting documentation starting with the date of **September 2020** to the present to apply for funding.

If this is a **NEW** request, you will need to provide your supporting documentation from your place of employment (furlough letter, letter of termination, unemployment claim, or last payroll check.)

Our office is currently closed to the public. Therefore, we are asking that you call Performing Stars office and ask for Sherine Agbulos at (415) 332-8316. Please leave your name and number and we will return your call as soon as possible. You can also email us at performingstars@icloud.com and send a copy to performingstars.sheba@gmail.com. In the subject line, please add COVID19 REQUEST with your name.

WE ARE COMMITTED TO HELPING YOU! Thank youFelecia Gaston, Executive Director
